SEESAW

Seesaw codes have been sent home this week. Please ensure that you download the Seesaw app and can access your child's journal.

This will allow you to see your child's work and receive important information from school.

Please let me know if you are having any difficulties connecting to Seesaw.

SNACK

Children can choose to buy a healthy snack in school each day. The cost for this is £1 per week. This should be paid in cash to the class teacher. Snack can be paid weekly, or alternatively you can pay £8 for the half term.

If your child is bringing their own snack, please ensure it is a healthy snack - no crisps, chocolate or sweets.

WHAT ARE WE LEARNING?

Children will be settled into their new classroom and encouraged to develop their independence. Our topic for this half term is Understanding My Emotions. We will be exploring a range of emotions and developing our understanding of what they mean and how they can affect our thoughts, feelings, and behaviour. We will also be learning about the Zones of Regulation and identifying strategies that we can use in the classroom to help us self-regulate, manage our emotions, and become more independent learners.

THANK YOU FOR YOUR CONTINUED SUPPORT!
