

Dosbarth Rhyfelwyr Autumn Newsletter

Dear Parents / Carers,

Welcome back to the start of a new academic year! I hope that you all had a wonderful summer holiday. We have had a busy few days in Dosbarth Rhyfelwyr and all pupils have worked really hard. Everyone seems to have settled in to their new class and have been fantastic role models to their younger peers! This year, we will be covering a range of topics throughout each term to ensure pupils are provided with a range of opportunities across all areas of learning and experiences (AoLE). Please see the table below for a brief overview of our topics and what we will be covering in them.

Topic Title	AoLE Drive	Content
The Best Version of Me	Health and Wellbeing	For this topic we will be looking at our school values, vision and school rules, the rights of a child, and the responsibilities that we have. We will also look at how to stay safe online.
Rhythm and Roots	Humanities and Expressive Arts	We will be studying Black History Month as part of this topic, its significance in society today, and we will be focussing on musicians as part of our topic work.
Courage in Conflict	Humanities and Expressive Arts	Our main focus for this topic will be based around Remembrance Day and other war conflicts.
Workshop Wonders	Science and Technology	This practical topic will be putting our creative minds to work and designing and creating our own products. We will be planning, designing, creating and reviewing our products as part of this topic.

Daily Mile

This year, KS2 will continue to participate in the Daily Mile. Dosbarth Rhyfelwyr will complete their Daily Mile on a Wednesday morning first thing so make sure pupils are at school on time or they will miss this opportunity!

PE

Dosbarth Rhyfelwyr's PE slot will be on a Wednesday. Please can pupils come to school in the correct kit and appropriate shoes. Pupils are expected to wear a white top with blue, black or grey bottoms.

Seesaw

Please ensure you have connected to your child's seesaw account so that you can see what your child has been up to in class and the experiences they have taken part in. We also use seesaw to communicate messages and share updates.

Home reading

All pupils will be provided with a reading book each week. Please encourage your child to read every day at home and return their reading book and reading record on a Friday.
